## Develop Leadership & Communication Skills!

Each program is customized to fit the needs and goals of our group focusing on what skills you want to work on.

## Pay-to-Play

Experience our Challenge course overlooking the beautiful Green End Pond. We offer a pay-to-play option if you just want to visit the YMCA and have fun on our equipment. Staff will always be available to ensure safety and fun are top priorities!

## Birthday Parties & Rentals

We host birthday parties for people of all ages. Give your family and friends an experience they won't get anywhere else!

## Character Education

Families, friends and individuals build life long memories as they explore and overcome their fears and discover unknown sources of courage!

\* The YMCA offers various workshops including Anti-Bullying programs

**We can even bring this program to you!** Our team works off site to bring the same experience to you.
