ADAPTED AFTER SCHOOL CLUB

The Adapted physical activity department is offering an After School Adapted Club, which runs during after School hours for individuals with disabilities. This program will give school age students a place to go after school where they can play games, go swimming, become more active, receive help with homework and meet new friends. Transportation can be arranged with Middletown School System and Thompson Middle School to bring students right to the YMCA from their school! The program will run Monday through Friday 1:30-6:00 the day's school is in session! RICCAP is accepted and financial assistance is available.
