ADAPTED SUMMER CAMP

The Newport County YMCA Adapted Physical Activity Department is offering two summer camps to help campers with disabilities in both middle school and high school to have summer filled with making friends and creating memories that will last a life time. Camp we can is a low ratio camp that give students who need extra support a small environment to learn social skills and grow their independence. Our Unified Theater camp is an inclusion camp which will focus on making short plays while also enjoying everything else the YMCA has to offer. Neither of these camps can provide one to one support for an entire day but will receive help during all activities. Transportation can be provided from ESY to the YMCA for Middletown Public School and Thompson Middle School.

DATES: JUNE 19 – AUGUST 25
