Develop Leadership & Communication Skills

Each program is customized to fit the needs and goals of your group focusing on what skills you want your team to work on. We can help you improve teamwork in the workplace!

Pay-to-Play

Experience our Challenge course overlooking the beautiful Green End Pond. We offer a pay-to-play option if you just want to visit the YMCA and have fun on our equipment. Staff will always be available to ensure safety and fun are top priorities!

Challenge Course

Available for 8-20 People, April-November

The Challenge Course is also used during Summer Camp, Family, Corporate and School Gatherings in addition to private rentals.

Character Education

Families, friends and strangers build life long memories as they explore and overcome their fears and discover unknown sources of courage!

The Y Offers:

- * Workshops for Character Development
- * Competitive Team Building Programs
- * Girl and Cub Scout Badge Requirement Programs
- * Anti-Bullying Programs & So Much More!

We can even bring this program to you! Our team works off site to bring the same experience to you.

The challenge course was designed and constructed by High Five Adventure and is inspected annually for safety. All staff are Belay and CPR/First Aid Certified.
