

the NEWPORT COUNTY YMCA POOL UPDATE

Each summer the Newport County YMCA closes the pool for routine maintenance. This year our pool will be closed from **Saturday, August 24 @ 12:00 Noon**
Reopening, Monday September 9, 2019.

We know our pool is a favorite and popular amenity for our members and we apologize for this inconvenience. We are excited for the reopening in September and look forward to sharing our beautiful updated pool with you soon. In the meantime, we have a really wonderful option for our Y members.

THE NEWPORT

HARBOR HOTEL AND MARINA

The Newport Harbor Hotel and Marina has opened up their doors to Y members. While our pool is shut down, Y members can use their pool overlooking scenic Newport Harbor. Their pool is open 7AM to 10PM, 7 days a week. Simply present your Y membership card to the front desk upon arrival for access to their pool, locker rooms, sauna and outdoor deck area. Please be aware that parking is based on availability.
