Newport County YMCA
Financial Assistance Application
YMCA Programs

It is the goal of the Newport County YMCA to provide services to any person who desires to participate in the activities and programs of the YMCA, regardless of their ability to pay the standard membership or program fees. Those not able to pay the full fee may be awarded assistance based on a sliding scale and demonstrated need. * Financial Assistance applications will not be processed unless they are filled out completely and the required back-up paperwork listed below is attached.

Eligibility:

Assistance may be granted on the basis of financial need. The household income guidelines used by the YMCA will be used as initial eligibility criteria.

The YMCA believes a strong sense of ownership and pride is developed if the financial aid recipient contributes to the cost of their YMCA involvement. Therefore, applicants will be asked to pay a portion of the membership or program fees.

Financial assistance will be reviewed for eligibility for each membership or program period.

How to apply:

Applicant must fill out all standard YMCA membership or program forms.

* Back-up paperwork
Applicants must provide copies of their Federal tax returns, 3 current payroll stubs and verification of all taxable and non-taxable income. Income includes but is not limited to payroll, alimony, retirement, social security, SSI, food stamps, DSS awards and child support. If you reside in a one adult household or have an absent parent, and have children you must provide written verification as to the status of your child support.

**Incomplete applications will not be processed.**
The YMCA is not responsible for returning original documents.

Your completed application will be reviewed within 10 business days and you will be notified by mail of any award and payment terms.

The YMCA reserves the right to refuse or rescind assistance to any applicant at any time.
