SAVE OUR SUMMER

LET’S SAVE SUMMER
at Camp Clarke and Camp CFP

NOW MORE THAN EVER, WE NEED YOUR HELP...

Due to COVID-19, implementing new Summer Camp health & safety measures has increased the Y’s expenses dramatically. Please consider how you can help keep kids safe this summer.

$197 for one social-distancing tent
$69 for one digital thermometer
$4.27 per child for socially-distanced water activities
$88 per day for extra camp staff to meet smaller camper to staff ratios
$9.62 per child for personal arts & sports equipment (no sharing allowed)
$6.93 per child for one week’s supply of masks, sanitizer & other PPE

Thank you for making a difference in a child’s life.

Please visit www.newportymca.org/giving or contact Susan Piacenti at susanp@newportymca.org for more information.

STAFF SPOTLIGHT
~ Ali Firlings ~

This summer, Ali has taken on a new role at the YMCA as the Summer Camp Coordinator. She is a recent grad from the University of New Hampshire where she has her bachelor’s of Arts in Psychology and Anthropology. Since joining our team, Ali has stepped-up to assist in all facets of the Y including membership, wellness and more. Ali is the type of person that when you ask her to do something, she does that and more! The Y is so excited to have Ali on staff this summer!
GROUP EXERCISE CLASS FEATURE

Our group exercise classes are up and running with limited capacity. The Group Exercise Class feature for this month is Spin! Spin classes are now located in the gymnasium to space out the bikes appropriately 14 feet apart. Per RI State Guidelines, masks do not have to be worn once you are on your machine. We kindly ask that members place their mask back on directly after class.

Spin classes will be held at 6:30 AM and 6:30 PM during the week. Please visit the Facility Reservation page on our website at www.newportymca.org for availability!

COMMUNITY APPRECIATION

This year, one of our lifeguards here at the Newport County YMCA has been dedicating his time to earn the rank of Eagle Scout within the Boy Scouts organization. For his Eagle Scout project, Tommy created one-of-a-kind lawn games for our kids to use for summer camp!

Thank you, Tommy, for your hard work!

Looking for a great way to advertise your business? Or do you simply want to show your family's support of the Y mission? Our newly redesigned Banner Recognition Program is just the ticket! All donors of $1,000+ now have the opportunity to customize a 2' x 4' banner that will hang in the Y for a full year.

All monies raised through our Banner Recognition Program directly support the people & programs served by our Community Support Campaign.

Each year, our Community Support Campaign raises funds to help those in our community who need us most. From swimming lessons to camp scholarships, to free health and wellness programming for cancer survivors and those struggling with obesity, to our 12 Special Olympics Teams, YOU and the Y help make it all happen!

In 2019, Newport County YMCA provided more than $270,000 in financial assistance to better serve this community. This year, our goal is to raise another $270,000. Rest assured: 100% of every dollar raised stays right here in your local community!

If you'd prefer not to join our Banner Recognition Program but still want to support your local community, we happily welcome all donations.

For questions or to order your banner, please contact Susan Piacenti, Director of Financial Development, at 401.847.9200 x109 or susanp@newportymca.org
