Race4Chase began as a vision to turn tragedy into triumph. In remembrance of Chase Kowalski of the Sandy Hook tragedy, the family created **CMAK** (Chase Michael Anthony Kowalski) **Sandy Hook Memorial Foundation**, a charity in his honor with a focus on health and wellness for children and their families. Together CMAK and the Newport County YMCA present Race4Chase Kid's Triathlon program, a youth program aimed at providing kids aged 6 to 12 with a safe non-competitive environment to discover the sport of triathlon. It brings together kids from all different backgrounds and educates them on how to adopt a healthy lifestyle, coaches them to develop a foundation of athletic skills, and inspires them to aim high in sports and in life.

On Thanksgiving morning 2024, the Newport County YMCA hosted over 2,000 runners and walkers—adults, teens, kids, babies and more than a few family dogs! This event started as a small gathering of friends who met in the Y parking lot for a run, and to exchange pies, on Thanksgiving morning. Little did they know that it would grow into a holiday tradition that brings your community together while honoring the Y's core values of health and wellness, and social responsibility.
