Counselor in Training Program

Application and Information

What Is a Counselor in Training (CIT)?

The Counselor in Training (CIT) program is designed for students entering 8th, 9th, and 10th grade who are interested in developing leadership skills while gaining hands-on experience in a camp setting. CITs are a vital part of the YMCA's summer camp program and play an important role in supporting staff and campers throughout the day.

As a CIT, your responsibilities include assisting YMCA staff with group games, activities, meals, crafts, and general camp organization and cleanup. CITs help support multiple camp groups and must be dependable, hardworking, and willing to assist staff in supervising campers—all while having fun and working as part of a team.

The CIT program focuses on teaching valuable leadership skills that will benefit you now and in the future. Participants will build character values such as respect, responsibility, caring, and honesty. CITs are leaders within Camp Clarke and are expected to serve as positive role models for campers and peers alike. In addition, CITs will have opportunities to participate in community service projects alongside fellow CITs.

To ensure a positive and successful experience, all prospective CITs must complete an application and participate in an interview. This process is designed to provide valuable preparation, training, and real-world experience that will support future employment and leadership opportunities.

Camp Clarke 2026 promises to be an exciting and rewarding summer, and it starts with committed, dependable leaders like you. CITs are a pivotal part of our camp community, and we hope you are ready and excited to take on the challenge!
